The mail brought me an application for space at the 2017 Rail Festival at Carillon Park on the south side of Dayton June 24, 25 from 9:30 to 5 Saturday and 11 to 4 on Sunday. I am going to request one table for the historical display. This group does not pay for layouts so I am not going to request space for it. Any help during the show would be appreciated. I'm mention again in the future. Don't know what arrangements will be made to get us in for free.
