Our club, the Cincinnati Northern Model RR Club, Inc., has and can do train displays. We have a traveling layout that fits in an older style schoolroom. Our VP, Joe Suttman, handles arrangements for dates, etc. Looking forward to discussing your needs and wants soon, as we have some dates filling out.

Michele, If you have not yet been in touch with George Roos as Tom suggested, his email address is crnw@zoomtown.com

I am copying George on this note and asking that he do whatever he can to help your organization since you have helped us. Again, if you are not successful in reaching George, let me know. Best regards. Bob

Bob,

I responded to her letter rightaway. I told her I had nothing to do with that kind of thing and I forwarded George Roos' phone number. And that she should call him. He belongs to a portable layout club.

Michele, Very sorry that they did not contact you. I am copying both of them on this note and reminding them to do so. I will also see both of them Thursday night and remind both that they owe you a response. We are grateful for your purchase of our book and I will do whatever I can to help you and your organization. If despite my efforts you still do not hear from them, do not hesitate to let me know. Best regards. Bob Martin

Hi Bob, just wanted to let you know that I have not been contacted by Jim Corbett or Tom Bredestege as of this morning. If they need more info (ie., fee payment, exact days/times, etc.) let me know. Thanks again for your efforts!

Best,
Michele

Hi Michele, Although the Cincinnati Railroad Club does not have any such displays, we have two members who should be able to help you. One is Jim Corbett who also belongs to a group called Cincinnati Hi-Railers. They have a modular traveling model train display. The other is Tom Bredestege who also belongs to the local chapter of the National Model Railroad Association. I am copying both of them on this response and asking that they contact you asap. I will see both of them at our 3/2 meeting and confirm that they contacted you.

Thanks again for purchasing our book. Please let me know if you do not hear from Jim and Tom. Best regards. Bob Martin

Hi Mr. Martin!

I am from the City of Erlanger Depot Museum. We chatted when you brought in some copies of "Trainspotting..."! Now i am reaching out to you for any contacts/info regarding travelling model train displays.

The City of Erlanger has had a free Christmas train display for two years. We would like to continue this and need a new contact for our model train display during the Christmas season.

If you could contact me I would be really grateful..

Thanks
